REPORT

OF THE

Managing Committee of the St. George's Society, FOR 1863.

THE Committee of Management have the pleasure to present their report for the past year, with the accompanying financial statements.

The total amount of receipts has been \$2,740.79, and the expenditure \$2,663.57, leaving a balance in the Treasurer's hands of \$77.22, of which amount \$70, having been received from life members, should be invested by the next Committee.

The value of the securities held by the Society is \$875, invested in a permanent fund as follows:—City Debenture, \$125; Yorkville Debenture, \$100; Canada Permanent Building Society, \$450; do., \$200; total, \$875. The interest received from this fund during the past year has been \$113.36.

The assets of the Society are composed of the amount due of members in arrears—195 members at \$2.00 each, \$390; and 146 at \$4.00 each, \$584; making together \$974. Of this amount, it is hoped that about \$400 will be realized in the next three months. Add to this latter amount the cash on hand, \$77.22, and it gives the total amount of the estimated available funds as \$477.22.

The liabilities are composed of some old outstanding accounts, amounting at the commencement of the year to about \$250, but now reduced to \$171.35.

The Annual Ball was held in the Music Hall, on Tuesday, 17th February, 1863. A large number of members were present, and the arrangements gave satisfaction to every one. The proceeds amounted to \$59.08.

On St. George's Day, 25rd April, 1863, the birthday of our Patron Saint, the members of the Society met at their rooms, in the Globe Hotel, and walked in procession to St. James' Cathedral. The Reverends D. Beaven, W. S. Darling and Professor Irving conducted the services. Collections were taken up morning and evening, amounting to \$62.21, after deducting expenses amounting only to \$16.96.

The Annual Picnic was held at the Mimico. The weather was pleasant, but the number of persons present was not so great as on former occasions. The net proceeds were \$49.21.

Professor Siddons, with great kindness and liberality, read for the benefit of the Society, Shakspeare's *Merchant of Venice*. The reading took place in the lecture room in the Mechanics' Institute. It yielded to the funds of the Society \$10.65.

Madame Anna Bishop's services, together with that of her daughter, Miss Louisa Bishop, just arrived from England, also J. D. Humphreys, Esq., having been secured, it was determined to give a concert and ball at the Crystal Palace, but unfortunately, owing to the lateness of the season and the unfavorable state of the weather, the affair was not a success, the expenses having exceeded the receipts by \$55.28.

The good old custom of distributing beef, bread and potatoes, &c., to the poor on Christmas eve, was carried out this year with the greatest success, and not a single applicant who came properly recommended failed in getting a sufficient supply for a good Christmas dinner. The amount distributed was as follows:—7,000 lbs. beef; 225 bushels potatoes; 600 loaves of bread; 18 hams; 3 barrels apples; 8 bags flour; 48 lbs. tea; 40 lbs. coffee; 56 lbs. sugar; 8 cords firewood.

The number of those who partook of the bounty was 520 families, or about 3,000 souls.

The Society are indebted to the liberality of Messrs. Geo. Michie & Co., for the use of their store on Yonge street, and the gas consumed for lighting the building on the occasion.

The Committee are glad to be able to state that former recipients of relief have returned the amount of \$16.

The amount of weekly relief granted has been \$541.36 amongst 423 cases. Out of this amount it cost the Society \$33.75 for eight patients sent to the General Hospital, \$36.99 for firewood sent to parties in small quantities, and \$38 for eight burials in the Society's lot in the Cemetery. A large proportion of the weekly relief was given to distressed emigrants from the cotton districts in England, who arrived here without means to proceed to their several places of destination, in many cases without money to procure even a loaf of bread.

The total number of members on the roll was 653; of these 34 are life members and 619 ordinary members. Of the latter number 120 have ceased to be members of the Society from various causes, such as death, removal from the city, and some by their own request, &c. This leaves 499 names on the roll. Of these 158 have paid up and 341 have not paid up their dues.

The Society have lost by death the following members:—W. Ashall, W. H. Newton, William Short and John Trebilcock.

The Committee have had great difficulties to contend with in the management of the Society's affairs. Shortly after entering office they found that about \$250 was due by the Society on old outstanding accounts, and that a further sum of \$200 was due to the Permanent Fund for life members' subscriptions to be invested, making altogether due \$450, as against \$206.82 cash balance handed to the treas-

urer. The whole of this latter amount they were obliged to invest according to the by-law, thus leaving the Committee without a single dollar in the Treasurer's hands, either to relieve the distressed or pay off the old debts of the Society, for which they were constantly being asked. Finding themselves in this position they immediately made up the amount due by members, and found that 302 members at \$2 each owed \$604; 176 at \$4 owed \$704; 36 at \$6 owed \$216; 8 at \$8 owed \$64; 8 at \$10 owed \$80; and 1 owed \$12; total, \$1,680. A collector was sent out and every exertion made to get in the available dues from the members. Some paid on application; some said call again; others that they could not afford to pay, and a large number could not be found, having removed from their former residences.

A number of gentlemen have organized for the purpose of celebrating the Tercentenary of Shakspeare, and a notice has been sent to the President of this Society, asking him to take part in it. As the day is the 23rd of April, our own Saint's day, the Society may consider it appropriate to assist in the celebration.

In conclusion, the Committee have the satisfaction of having made every effort they possibly could, and if they have not been as successful as they could have desired, yet they can congratulate the members on the fact of leaving the affairs of the Society in a very much better state than they found them.

W. B. PHIPPS,

President.

THE AUDITORS' REPORT.

WE have examined the Treasurer's Accounts for the past year, and compared them with the vouchers, and find them in all respects correct.

Of the Society's Assets, \$875 are invested as a Permanent Fund--\$650 in the Canada Permanent Building Society, \$125 in a Debenture of the City of Toronto, and \$100 in one of the Village of Yorkville. These investments produce to the Society dividends which in the aggregate exceed ten per cent. per annum.

We deem it our duty to call the attention of the Society to the fact that the unpaid subscriptions of members amount to no less a sum than \$974.
